Welcome Home to
VIKING MANUFACTURING INC.
 Improving the Quality of Home...

Thank you for taking the time to learn more about Viking Manufacturing Inc. We understand that your selection of VMI as your manufacturing source brings with it a great deal of trust and responsibility. Our aim is to establish business partnerships built on integrity and longevity, giving us a unique ability to provide extended services of mutual benefit; not just on short term gain. Thank you for letting VMI improve the quality of your home.

A History of Integrity

For years, VMI has strived to build a successful business established by working hard to maintain an outstanding reputation built on honesty and exceptional service. From the beginning, VMI never intended to be all things to all customers; a common trend in business today. We have instead chosen to focus on safe, high quality product at value pricing delivered to you with superior service. Our mission is to exceed your expectations made possible through our valuable team of employees and high-end products.

Today's homeowner is bombarded with so many products and appliances to modernize and simplify how we live. Many of these products fail to aid in creating the relaxed, comfortable and worry-free environment that the home was intended to be. VMI products are an ideal solution for the homeowner who desires to maintain a clean and bright appearance year after year.

Quality Products

Viking Manufacturing is proud to offer customers an exclusive line of quality vinyl and aluminum products for the great outdoors.

We Offer:

- Vinyl Railing & Fencing
- Aluminum Railing & Fencing
- Custom Millwork
- Vinyl & Cellular PVC Posts & Wraps
- Specialty Products

Our specialty products include decorative home accents, arches, window surrounds & custom door surrounds. Our custom millwork assortment ranges from outdoor showers and pergolas to mailboxes and exterior home accents. All of our vinyl products are backed with a limited lifetime warranty.

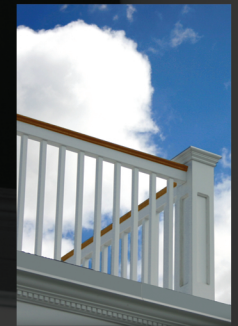

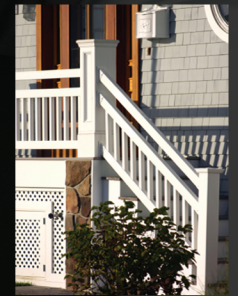

Cellular PVC

VMI only produces the highest quality Cellular PVC products. Cellular PVC is a solid extruded material with the working characteristics of wood. But unlike wood, it will never warp, decay, or discolor even in the worst of weather conditions. Because it is so durable, it is the most cost effective and environmentally friendly solution for any residential or commercial building projects.

Installation Services

Take the stress and guesswork out of any project with our VMI authorized installation services. You'll get certified installers who are experienced, courteous and reliable. Your job will be handled professionally from start to finish, making sure it will be done right the first time.

Premium Virgin Vinyl

Vikings' PVC products are 100% co-extruded virgin vinyl. This high-end manufacturing process does not include any recycled plastics & gives our product maximum impact resistance & resilience. Our product won't chip, peel, or crack. All of our vinyl is manufactured with UV inhibiting chemicals to minimize fading. Our virtually maintenance free vinyl is the most sensible solution to extreme weather and the ideal choice for the homeowner who desires to maintain a clean and bright outdoor appearance year after year.
