VMI Vinyl Fencing

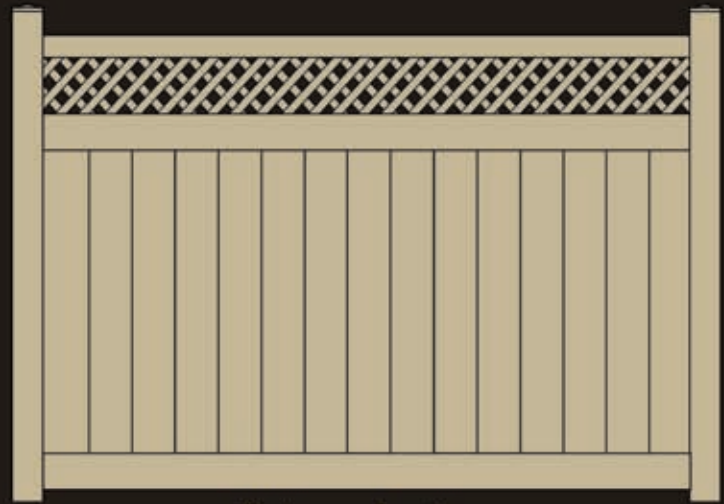

Viking is proud to offer a complete line of 100% virgin vinyl fence systems. Built to withstand the harshest of weather conditions, our fence styles help you add classic, elegant appeal to any residential or commercial building projects.

Pure virgin vinyl provide the strength and durability necessary to stand up to the harshest of weather conditions. Our products will never crack, chip, peel, or rot.

Complementing gate for any custom fencing profile available.

All of our fencing sections are capped with a standard sharp cap. Posts are not included with fence style. Call for custom sized fence profiles. Standard picket spacing varies between 3" & 4" while close picket spacing varies between 1" & 1.5". Ask your local sales rep for details.

VMI Aluminum Fencing

VMI's Regis aluminum is colored with a state of the art 10-step powder coating process using AAMA 2604-02 coating application. Its powder coatings are custom blended from a Super Durable Polyester-TGIC resin base to meet AAMA specifications. The powder coating process passed and exceeds all tests required to be AAMA 2604-02 certified.

VMI Regis fencing is available in a variety of complimenting colors. Due to printing variations, brochure colors are not true representations of our aluminum. Our 3000 series fence is available black & bronze standard but can be upgraded to 2604 color series for an additional charge. See our aluminum railing section for a variety of colors.

Although the aluminum fencing comes in a variety of styles and dimensions, only our 3000 and 4000 Rail, Pool, and Commercial series fences are shown. For information on our 5000 Industrial series fencing, see below.
